

16 July 1981

MEMORANDUM FOR: Chief, OL/PD

FROM : [REDACTED]
Information Handling Systems Architect

SUBJECT : Procurement of Information Handling
Standards Effort

STAT

1. It is understood that the attached memorandum is sufficient indication of the availability of funding to start the procurement action for the Information Handling Standards effort. The 2420 will be forwarded in August.

2. The service to be procured is for technical support of an Agency Committee chartered to develop Information Handling Standards. The focus is specifically to be on Software Standards. A preliminary SOW and specific instructions for the RFP are in the hands of [REDACTED]. The effort is expected to be under contract by 1 October 1981.

STAT

3. COTR for this effort will be [REDACTED]. If you have any questions, please do not hesitate to contact him on extension [REDACTED].
